“Where the Dream Begins”

Each year thousands of young men and women, boys and girls, strive to improve their skills and enjoyment of the game of baseball. The South Shore Baseball Club will feature its usual excellent staff and facilities, assuring each camper a rewarding experience while enjoying our ever popular game.

Individual attention will be emphasized in all aspects of the game. Pitching, catching, defense, baserunning and hitting will all be featured in special sessions and lectures. The staff will be sure to devote special attention to any individual needs or areas of improvement that a camper may have.

All campers will be grouped according to age, ability, physical maturity and previous experience. The instruction will range from basic fundamentals to advanced skills. Each camper will play a minimum of one game per day.

SSBC is a year round, full service club for boys and girls ages 5 and up. Since 1989, SSBC has impacted the lives of many ballplayers with a strong philosophy of having fun while learning to play the great games of baseball and softball!

Hundreds of SSBC members have gone on to play college baseball. For the sixteenth year in a row and eighteenth season, players from the South Shore Baseball Club have been selected in the annual Major League Amateur Draft.
